

Palabras de Fabio**DEPARTAMENTO DE TRANSPORTE**

Hace ya varios días que les pedi al final de la misa, que hicieran oración por la reunión que tendríamos con el (DOT) Departamento de Transporte, y aún no hemos obtenido ninguna información al respecto; la verdad es que no quiero ser irresponsable a la hora de dar un anuncio sin tener toda la información, y crear confusión e incertidumbre en nuestra comunidad. Sólo puedo decir, que ellos quieren un poco más de terreno, y que estarán haciendo unos cambios. Ellos se comprometieron a enviarnos la información pertinente, y una vez la tengamos, pueden estar seguros que tendremos una reunión para compartir la información al respecto. Sigamos orando por este proyecto, para que todo llegue a feliz termino con la ayuda de Dios.

ESTAMOS NECESITADOS DE ORACIÓN

Es cierto que la oración mueve montañas, y hace cosas que la razón no comprende, ni puede explicar. Es por eso que quiero invitarlo a aumentar nuestra oración en el hogar, como familia o individualmente. Tenemos tantas necesidades y / o situaciones que están sucediendo en todo el mundo. Necesitamos orar por los enfermos, por los que no tienen trabajo, por los que tienen dificultades y sufrimiento. Oremos por nuestros estudiantes que se graduaron, para que continúen su educación y sean alguien en la vida. Oremos por aquellos que sufren en Guatemala; por nosotros, los sacerdotes y religiosos/as, y por muchas otras cosas, lo importante es que oremos, oremos y oremos.

REFLEXIÓN: La incomprensión de los allegados. Los parientes de Jesús son quienes están con Él, que cumplen la voluntad de Dios y no de los demás. La sangre ya no es el criterio de fraternidad, sino la pertenencia al grupo de sus seguidores. Esta nueva familia tiene una misión concreta: abrir un espacio de hermandad donde no haya divisiones ni clases excluyentes. La familiaridad con Jesus no sólo se da, se construye día tras día escuchando su Palabra, y haciendo la voluntad de Dios norma de vida. La voluntad de Dios implica, trabajar en armonía y construyendo un proyecto comunitario. Una sociedad con estos rasgos, promueve el bien y vence la maldad. A este proyecto de sembrar mayor bondad en el mundo esta llamado El Linaje Nacido de la Mujer, según el libro del Génesis.

A Few Words from Fabio**DEPARTMENT OF TRANSPORTATION**

Several days ago at the end of Mass, I asked you to pray for a meeting we were having with the (DOT). We have not yet received any new information about it. The truth is that I don't want to give you wrong information, and then create confusion and uncertainty in our community. I can only say that they want more land, and that they want to make some changes. They promised to send us the information we need, and once we have it, you can be sure that we will schedule a meeting to share the information with you. Let us continue to pray for this project, so that everything will come to a happy end with the help of God.

WE ARE IN NEED OF PRAYER

It is true that prayer moves mountains, and does things that reason does not understand, nor can it be explained. This is why I want to invite you to increase our prayer at home, as a family or individually. We have so many needs and/or situations that are happening around the world. We need to pray for the ill, for those who don't have a job, for those who have difficulties and the suffering. For our students who graduated, so that they continue their education and be someone in life. Pray for those who are suffering in Guatemala, for us, the priests and religious, and for many other things, the important thing is that we pray, pray and pray.

REFLECTION

The incomprehension of the close ones. The relatives of Jesus are those who are with him, who fulfill the will of God and not those of others. The blood is no longer the criteria of fraternity, but the belonging to the group of his followers. This new family has a specific mission, to open a space of brotherhood where there are no divisions or exclusionary classes. Familiarity with Jesus is not only given, it is built day by day by listening to his Word, and doing God's will; by working in harmony and building a community project. A society with these traits, promotes good and overcomes evil. This project of sowing greater goodness in the world is called the Lineage Born of Women, according to the book of Genesis.
